years were great. (most of the time)

of these are classics in the history
books and who can forget our
tears, sweating out the D.S.B. (Must

P.S. Bye no meet

P.S.S. whole

My Dear, Sweet, Baby, Lee,
Looking at all of your accomplishments this year I
am extremely proud of you. Last night I was think-
ing of all the many ways you have helped me
too. I Love you and there is no end
to my love. This Summer is going to be great!
and I hope every Summer from now on
will be as good.

There have been some times when I was
embarrassed because of things you have done
but that is all in the past, I know it,
you know it + everybody knows it, and I am
proud of you (I can't say it enough)!
I know I have done millions of things
to make you embarrassed and I am sorry
but that too is in the past and I know
that you still love me as much as I love
you.

I don't know how you found so much to say
in my Book because I don't know what else
to say. When I say I Love you, I have
said it all!

I Love you

Love ♡

LOMA LINDA

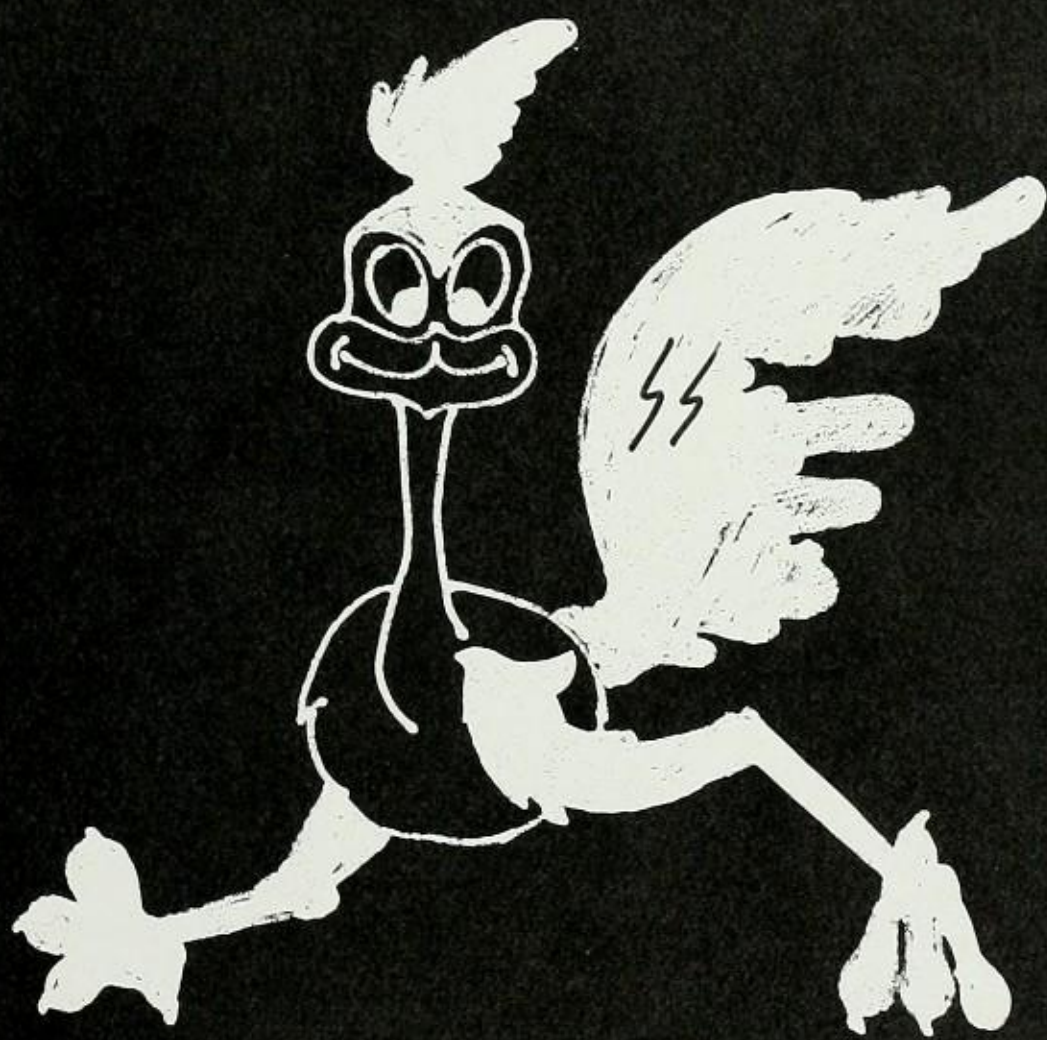

ACADEMY

PRINCIPAL'S MESSAGE

Four years ago I became principal of Loma Linda Academy, the same time that this year's seniors, the Class of 1981, were freshmen. I want to congratulate the Senior Class of 1981, and I want to commend them for the contributions they have made to life here at Loma Linda Academy.

I would also like to say that everyone has the opportunity to contribute to society. A contribution can either be negative or positive. We don't have much choice as to whether we will contribute or not contribute. Our choice is whether our contribution will be for the good of mankind or will be destructive.

Let us each one contemplate our value and what we want to remember it for in the years to come.

**The Lomasphere staff is proud to dedicate the 1981
Lonasphere to Pam Knight.**

**For her years of teaching us in the Jr. High of Loma
Linda, and her year and a half of special guidance in the
Academy.**

**Mrs. Knight . . .
This is for you.**

It's been fun getting to know you better this year in Speech class! Your speeches were really good, but also kind of gross at times! I hope you have a fun next year in college or wherever. Although I know you'll miss us so much! Won't you? Sure you will!

Lee,

Academy has been really fun
but it is finally over and we
have to go on to college. I
know college will be even better
than Academy was. I sure hope
the Academy can get enough
guys to have a varsity next
year so we can come back and
play them. But we know Varsity
will go down hill since the
class of 81 is gone. It is going

to be fun next year rooming together
I just hope we can get some studying
time in. Thanks for

through the last. I
hope I would have

there's a party
going on in there.

Dear Lee,
 You've been a real
 blast in American lit.
 That class is such a
 bore! So bad you're a
 senior. We'll all miss
 you next year. The real
 reason it's too bad you're
 a senior is you're gonna miss out on all

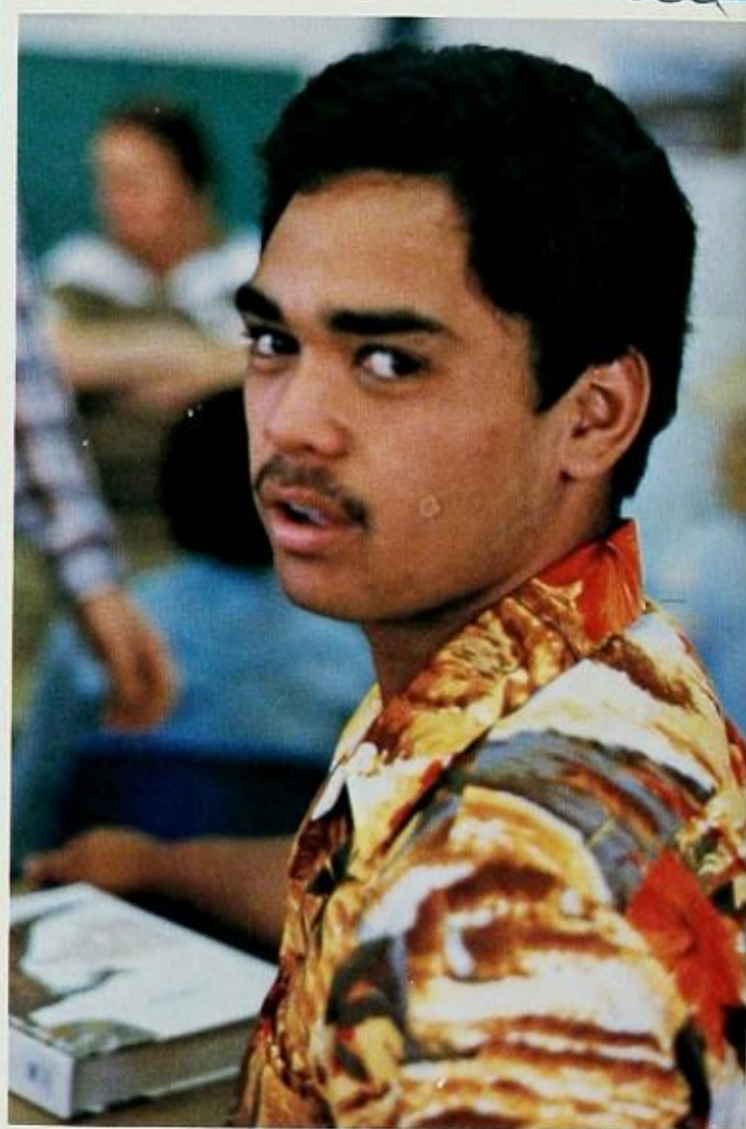

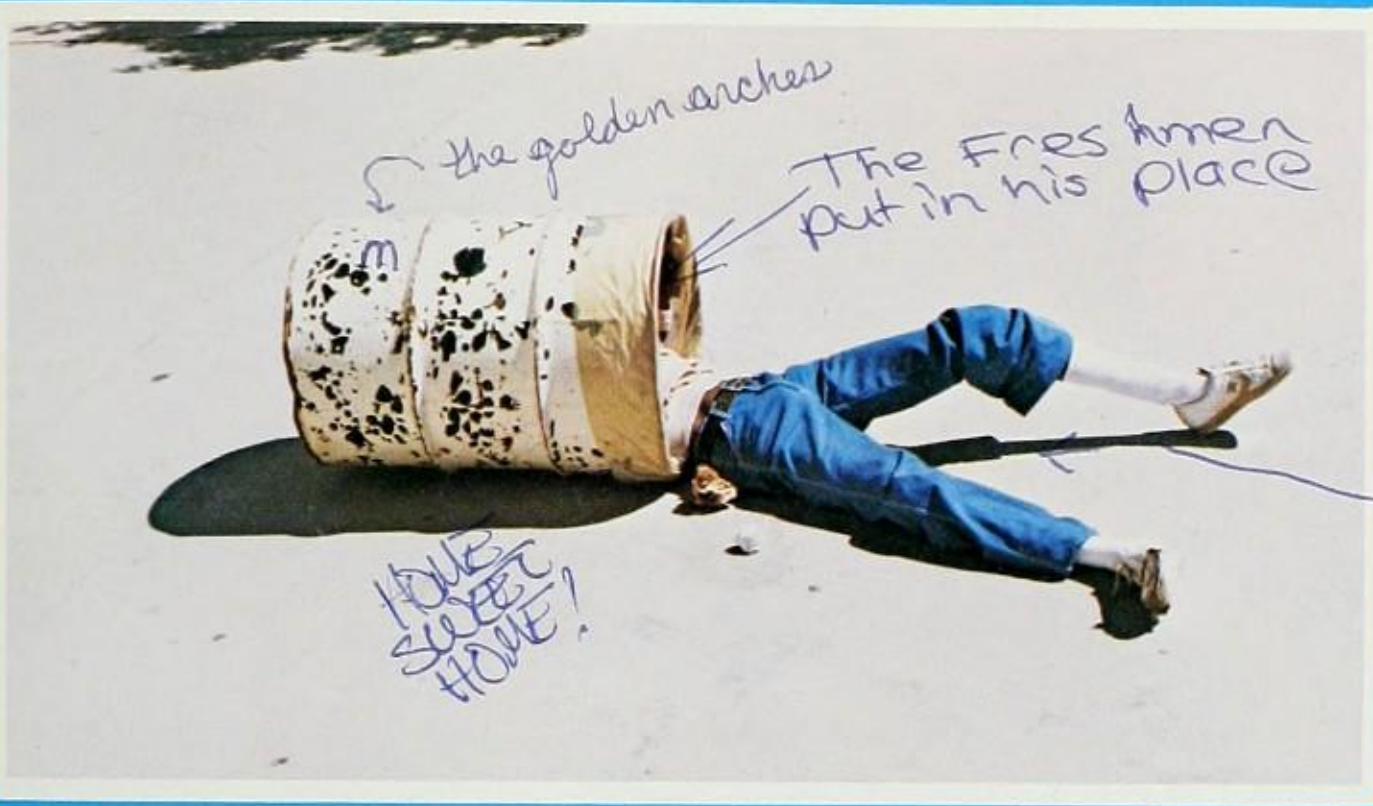

the
 fun
 we're
 going
 to
 have
 next
 year!

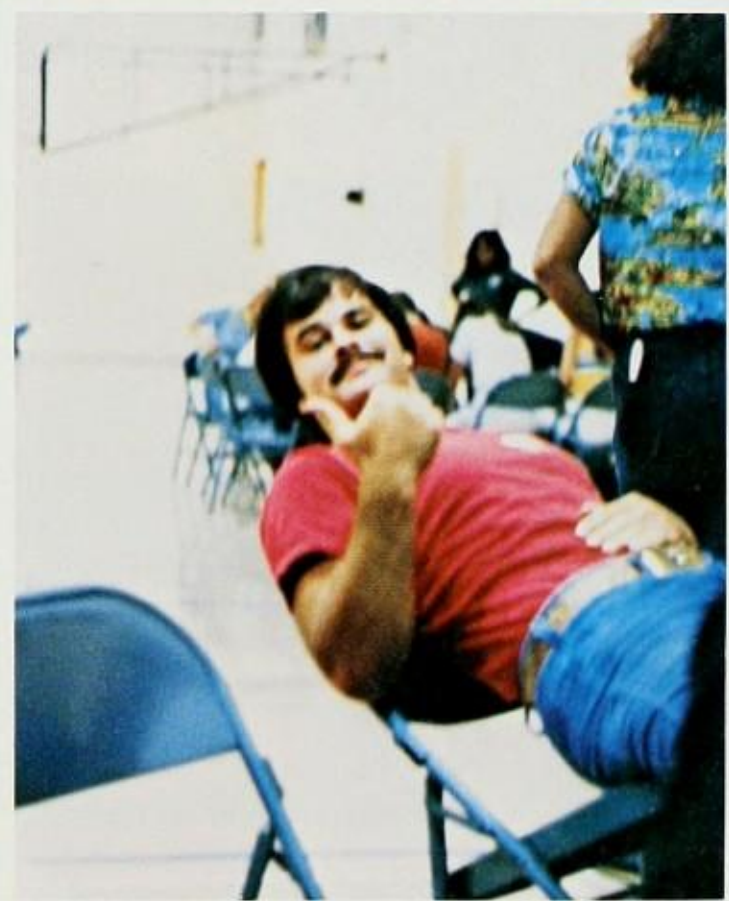

Hope you have
 a great graduation

 fun in

What a handsome chap.

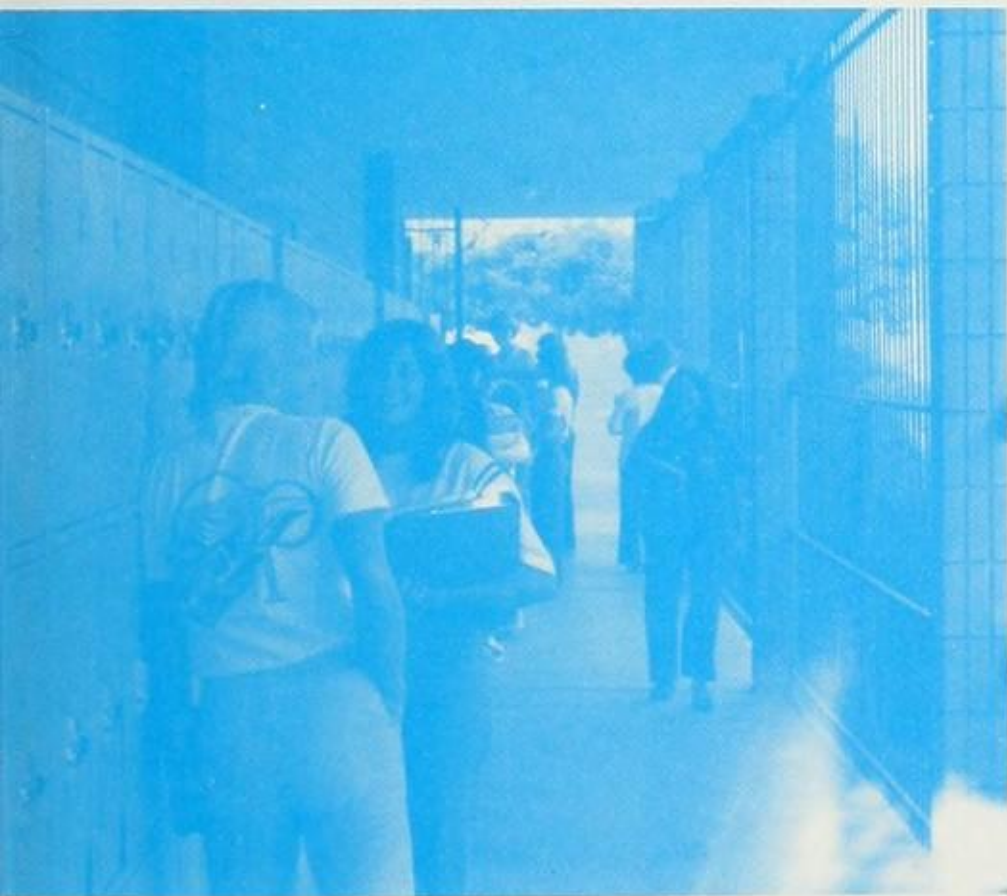

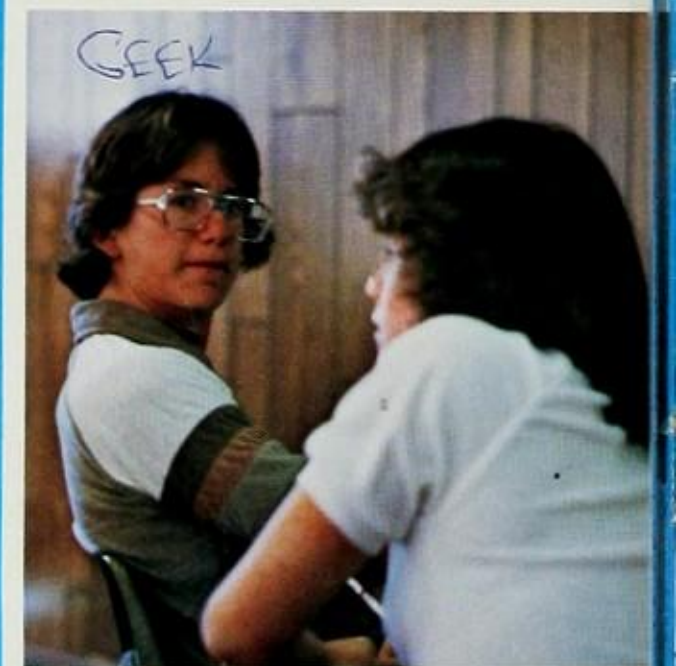

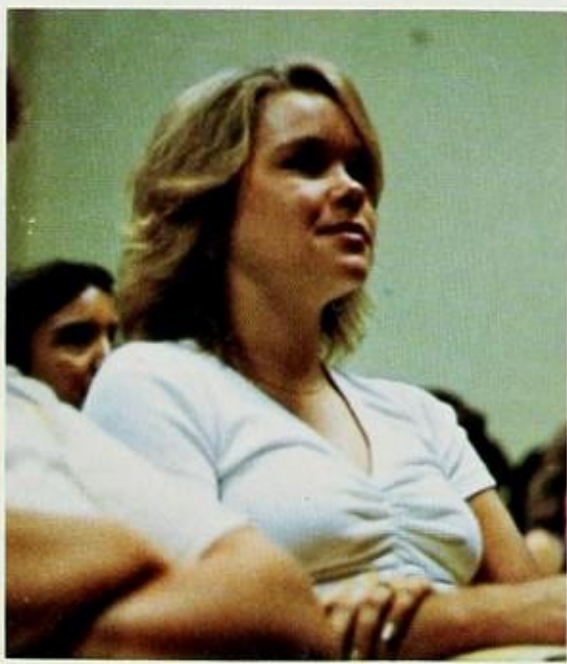

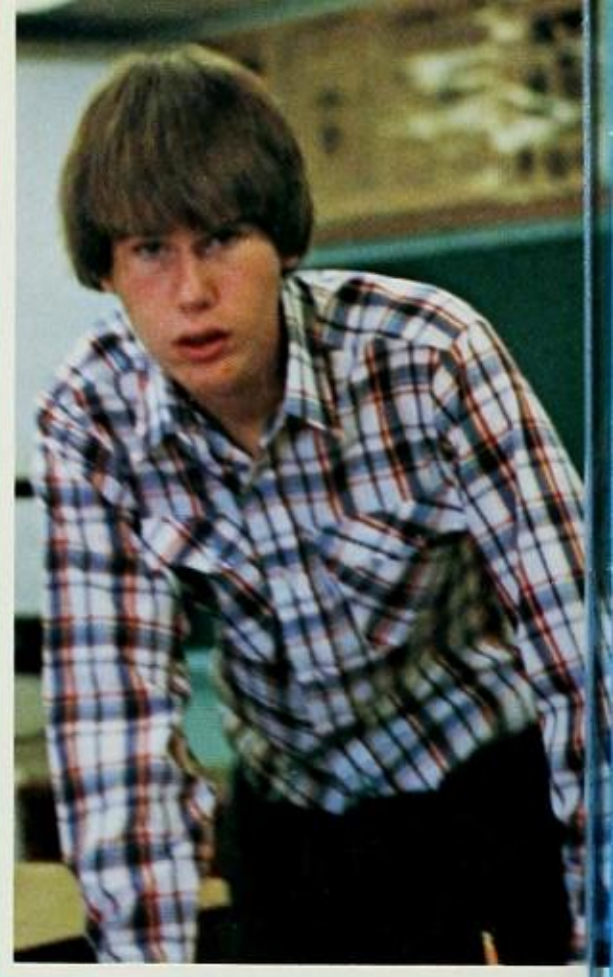

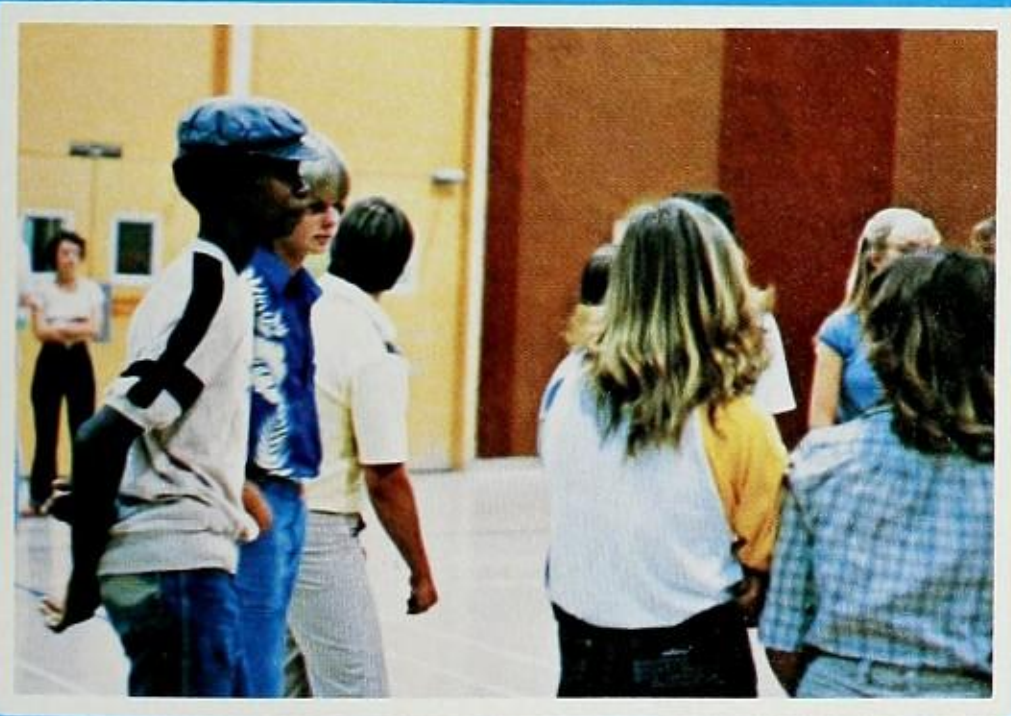

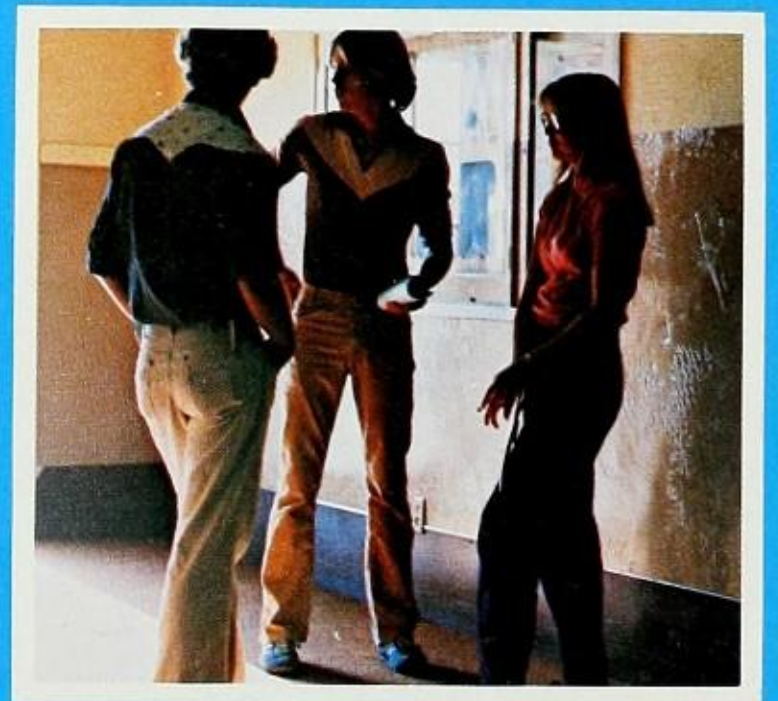

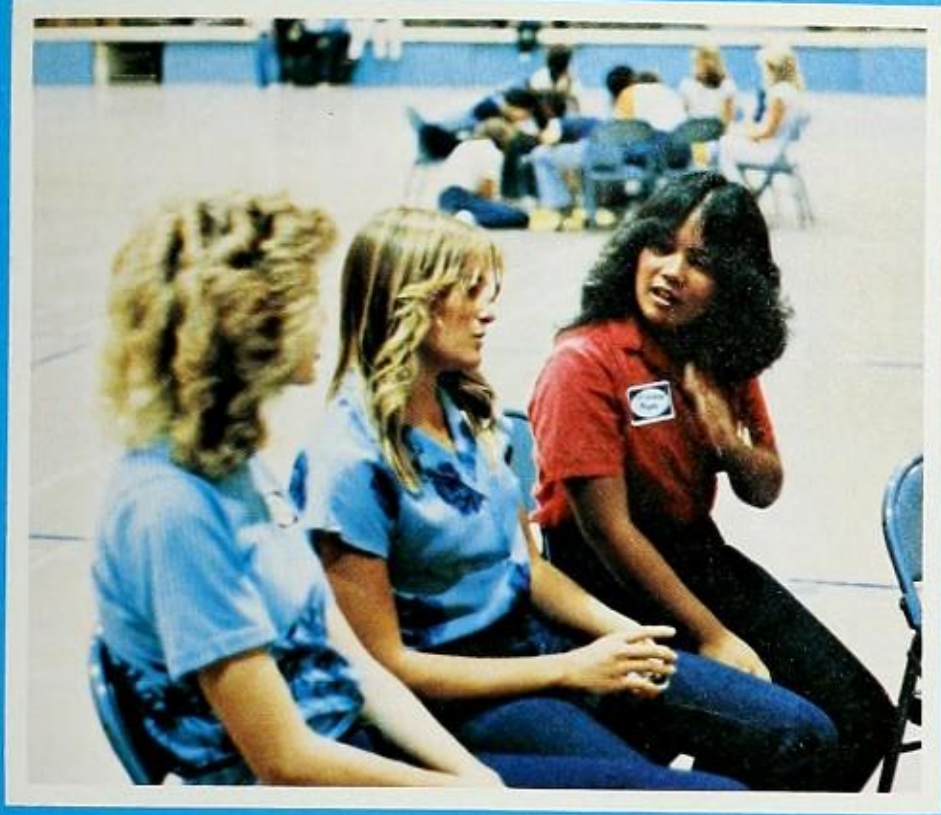

Hey Lee,
 It's been fun this year, especially
 in bible exchanging stories of you
 know who and playing in intramurals
 getting ~~and~~ getting beat all the time.
 Don't be too crazy this summer, living
 in your own place. We'll have to get
 together next new year and play
 cards again. Good luck in college
 next year especially with your roomies.
 I hope you have only the best in life
 your friend

DONT MAKE ME PLAY HORSE Again

Hey PINKO,
 Well when it is all over, we have done our time at
 L.C.H. We paid our price, and we are still the champions.
 Lee, we have so many memories together of being Smart
 Asses. We started getting canned on our Freshmen
 year. Dietrich Class, and other stuff, then came our
 Sophomore year. Lee exploded like Dynamite, getting
 kicked out of all our classes, T.P. Even sat right, ripping
 off T.P. at the Hospital, getting in a fight with
 everyone, cutting down the damn tree, what was
 in our minds. And there was so much more.
 Then you had to go home away, but you came
 back for our senior year. We've done very
 classic things this year. Backpacking the Brief
 Burnings, leaving sneaky deposits on Rick's car.
 The Beach trip when you & Chriss thought you
 were so sly. Next year we will be living
 together with the ~~watching~~ ~~on~~ on, trying
 to keep our sanity. We'll have more great
 times. I hope you and Stan get everything
 you want out of your relationship. Lee,
 if you ever need a friend or bro to talk to.
 I'm always on ear. I know we can seem
 tough sometimes, but if we all have friends
 like the men of 81' it is always easier.
 This summer we will have just caps of
 fun at ACACIA. THANKS FOR Helping
 we get the job. Well all I can say is
 later. I'm always one of your Bros

Lee, My ostrich & Pink Ox, & Oh Great Cesar.

It's been a fun year with varsity & popping Fenison & Mosley. Hope we can see each other during the summer (ooohh!) Maybe we can be on the same softball team & wipe everyone out. Come to my Barbi-Q about the 4th of the July. Hope you & Sherry turn out the way you want it to later on, U.D. Chavez ^{'81} Kicks

See, you're really a great guy
 maybe a little crazy.
 But as we all know this
 school will do it to you.
 But at least we're alive!!
 And we even made it
 through Mrs. Hughes' class.
 We never forget that year.
 We had a great class.

Good luck in everything you
 do. Keep in touch & do
 take

Dear Lee,
 I will always remember
 the first time I met you at the
 university pool, when you were
 swimming with Tom Z. How could
 I ever forget our backpacking
 trips with you sitting out on a
 log in your sleeping bag like
 a fig newton talking to
 yourself. (Well Lee, how are you this
 evening... Oh, fine, fine... How 'bout
 you.) Oh, Lee, you are such
 a crackup. You are such a
 fun

And how could I forget
 our wedding. (He! wasn't one
 of the more fun times.) I'll
 miss you lots next
 year. Good luck in
 everything.
 Love, (honn. '81)

Dear Lee -
 Well, kid, we've come a long way from our freshman year. And what a ride that was! You've had a very special effect on my life. I'll never forget the great times we shared and our special friendship. I do hope this friendship will always continue - its just too good to let go. Lee, you're a very sweet, sensitive person and I'll love you always.
 I hope your life will be the happiest of happy, best of best, funnest of fun and all that good stuff.

I know it won't be too hard to get what you want cuz you're such an ambitious person. Just be happy cuz you - of all people - deserve that.

My love always
- forever,

EDITOR'S MESSAGE

I Would Like to Thank:

Mr. Lucas—

for believing in me and giving me a chance when the odds were against it.

My Staff—

for tolerating me and staying when they felt like leaving.

Brad Hall—

for the work beyond photography and the willingness to get it done. Also, the rest of my editorial staff for their input.

National Studios and Mike Christman—

for hanging in there with us, even on short notice.

AND,

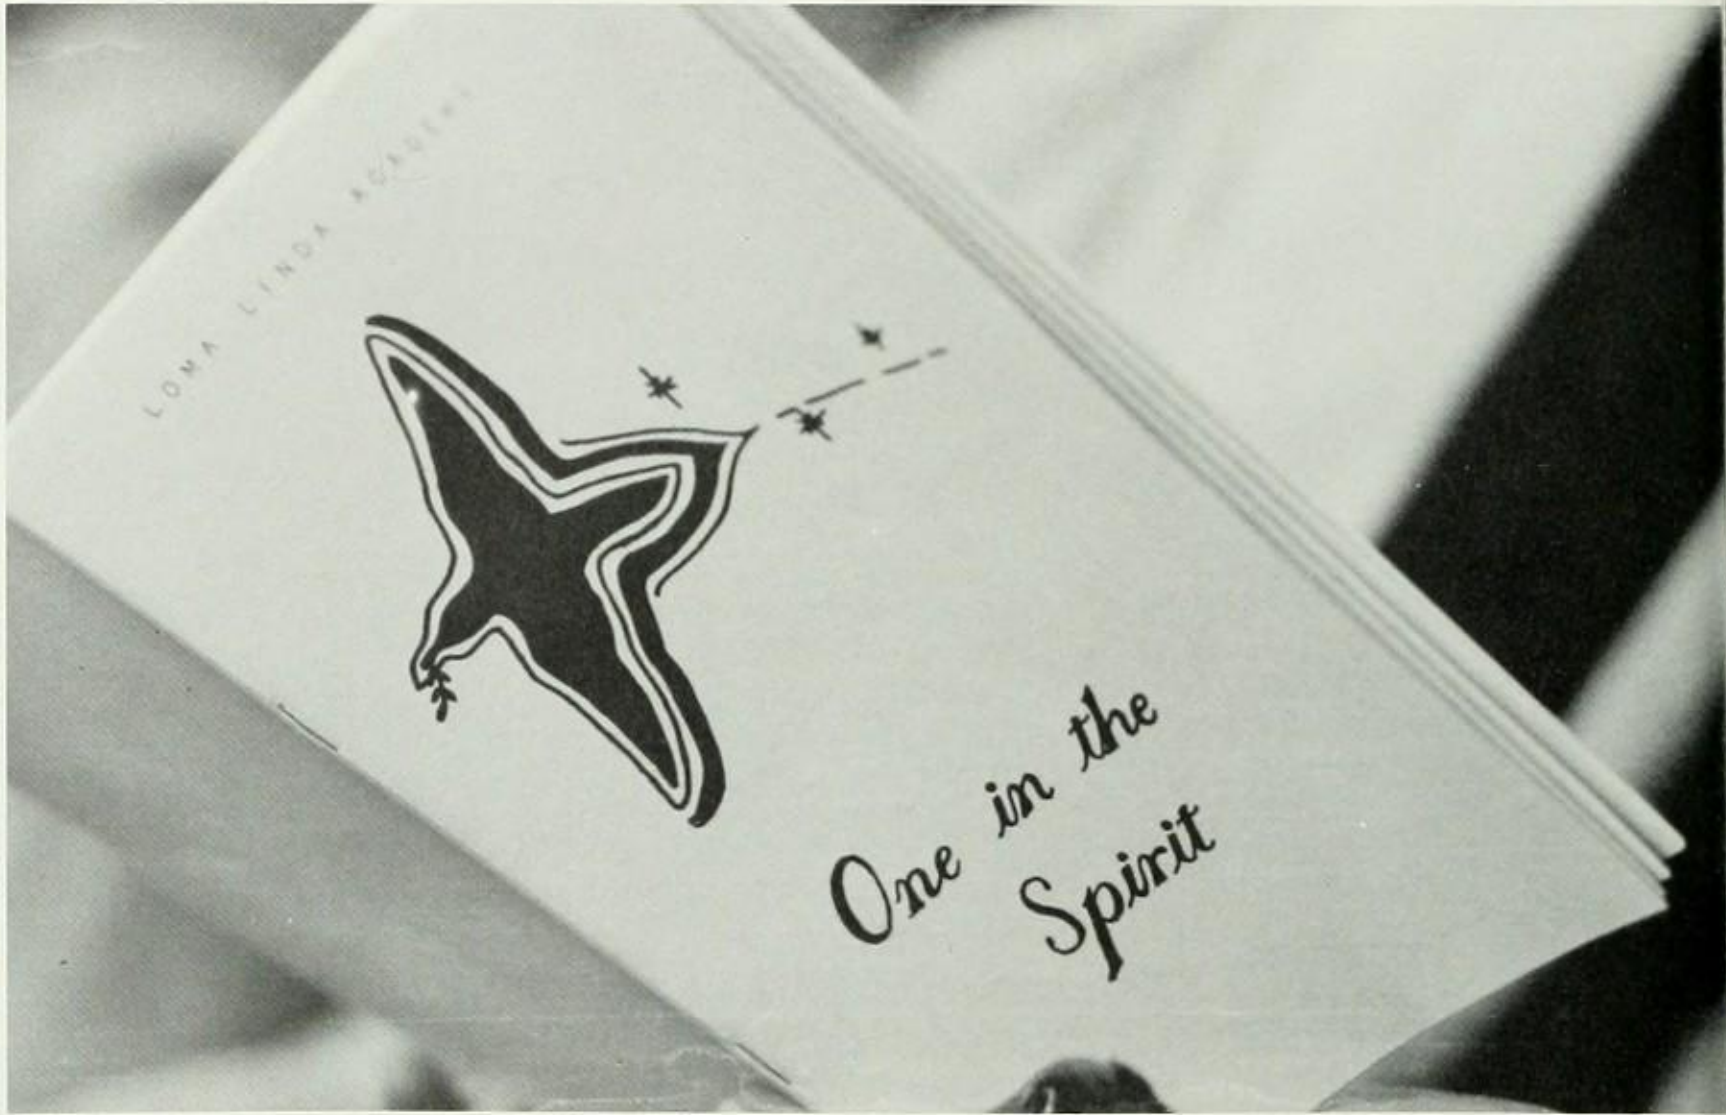

Special thanks to all of our sponsors, advertisers, and silent supporters for their faith in us.

I hope the day never comes when the people with the dreams and the desires withhold their talents, or are kept from using them for whatever reason. Without these people, the annual would be just another book.

We hope all of you enjoy this yearbook, its been an experience making it.

It's been so much fun getting to know

on trying to tell me, Judy, and Janelle where
Barry hid his key!! It was so funny, also
sliding back and forth on the bleachers really
cracked me up! I hope your year was as
fun as mine was. Stay sweet and cute, and
have a good time in college! Love,
Janelle

On a dark and dreary Loma Linda day,
 The skies were ordered a fiasco to play.
 But alas, as the thunder rolled over to rumble,
 All he could utter was a frail, deadpan grumble.
 When the lightning arose to bolt through the sky,
 Its shoots looked like spaghetti, limp and shy.
 The black clouds renoun for their murky chill,
 Succeeded only in stirring a bland-colored swill.
 As the feeble concoction passed o'er LLA,
 The powers that be commanded a stay.
 "Look!" they each cried, "At that awesome force,
 Imperiously ruling; we must find its source!"
 Moving in closer, they soon could see,
 The marvel of '81's vivacity.
 An SOS was swiftly dispatched,
 To officers of that spiritfual class.
 "Oh please, we extreat, have compassion on our plight!
 Our panorama's diluted, our lightning lacks fright,
 Our trumped-out thunder barely reaches a hum,
 Our once-violent wind is merely frolicsome.
 Could we not siphon just a drop of your zeal?
 We know it would spur us to heights unreal!"
 The Class of '81 smiled and said,
 "It's yours for the asking, you needn't have plead.
 Our well spring of spirit's abundant and rich,
 You're truly welcome to come over and snitch."
 With a resounding blast and a flourishing quake,
 The thunder clamboured; the sky was awake!
 Electric tendons tore through the air,
 Wind sent water whooshing: Earthlings beware!
 So powerful and piercing the pandemonium,
 That its story will spread for a millenium.
 From far and near they came each day,
 To grasp a petal of the life bouquet.
 The farthest traveler was a unicorn who came,
 For a bit of spirit to help hold his fame.
 The pitiable class of '82, so stale, flat and rapid,
 Was never once noticed, their demise rapid.
 (Although it was rumored that the billowing smog
 Got its vile vibes from the '82 nog.)
 So when ere you feel a tantalizing rush,
 Of energy and life, so vibrant and plush,
 You'll know whence it came and give a nod,
 To the unrivaled glory of a youth blessed by God

"Time out for this message sponsored by the Earl Warren Supreme Court (via the Arabshikea)."

God, I can't believe we're done with school (maybe because we aren't). I'm glad to see you made it through, almost 4 years straight in Loma Linda. Time was when you could get away with anything short of child molesting and be given another chance.

Next year, we're going to have to start all over again as (don't read this too loud) Freshmen. We're going to have to show those boys how

to play some basketball. Don't lose yourself in the shuffle next year, stay in touch.

"Now back to your regularly scheduled program,

The Supreme Court by Howard Franz" ... Thanks Mark, now back to cheese - I mean Warren Berger...

Good! Well,
You & Cheryl sure were up
Religion Class!
Lived it up this summer, if
you're planning on going to college
next year! Love, Mark

Dear Lee,
I am so glad
to be sharing some
of your classes with you.
You really live about quite a
few good laughs in class - a needed break.
Take care of yourself, I can do without, is the "tax!"
I love to be a friend. Free to call
me any time. I hope our paths will
cross with everything in your life. Ya, Fellow Senior.
Nice known - Love, Mark

P.S. SMILE God Loves You!

Lee,
You're a great speaker!
I hope you've had a
great senior year!
Remember God in all
you do. & He won't anything
without Him.
Love,
Laura

Dear Lee,
Isn't it great how
fast this year has
sped by?! It's been
a good one though
and it's because we
have such a terrific
spirited class! I don't
know what you're
going to be up to next
year, but whatever it
is, I wish you a
whole lot of luck!

Love,
Karen

Dear Lee, It's been a
 pretty fun year. You
 seniors have been a real
 blast. I'm really going
 to miss all of you next
 year. It was fun living
 by you for a while this
 summer. I hope you have
 a great summer, and
 the best of luck in the future.
 HAVE FUN!! OK!!
 Love, "Q"
 Val

Dear Lee,
 You're such a funny guy. But
 that's not all you are nice and courteous
 (to most people) Without you American Lit would
 have been the pits. Okay so take
 care of yourself or keep that great
 personality! Love
 Lynette C.

Lee,
 This year has
 been real great.
 If it wasn't for some of the seniors it
 would have been a kind of dull around
 here. The juniors are gonna raise hell in your
 place next year though. Well have a great summer
 and good luck.

So what's gone down this year?
 Well punk rockers (Chris) really aren't
 that great but I have to admit that the
 cars are a little better now. Redzep is
 the best and always will be the best
 You did a fantastic job in running the
 4th relay on field day. You made up all
 kind of dull around here. Well I wish
 the last that Chris made. Well I wish
 I could have won the mile race for our
 class but then stupid gaffer holes got
 in the way sometimes.
 Take it easy
 Michael W. W.
 P.S. HAVE A BITTER SUMMER
 WITH CHERI!

See,
well we made it
thru this year. Speech
class wasn't as bad as single
survival but it will your almost
out. It's been great having
some classes together. Well
I hope you have ~~80~~ a
lot of luck in the
years to come &
have a great
Summer. Remember
82 Rules Not '81.

Love & love,
Linda
